Aligned with His Highness Sheikh Hamad bin Khalifa Al Thani's Qatar National Vision 2030, AL ZAEEM SECURITY SERVICES envisions a future where security services play a crucial role in the nation's progress. With a clear roadmap for Qatar's economic, social, human, and environmental development, we are committed to strengthening the security framework for both locals and expatriates through cutting-edge solutions.

Security has long been a global challenge, and traditional protection methods are no longer sufficient to counter evolving threats. Recognizing this, AL ZAEEM SECURITY SERVICES provides comprehensive, proactive security solutions designed to safeguard people and property from potential risks. Our approach integrates highly trained professionals, advanced security systems, and innovative technology to deliver unparalleled protection.

In a market filled with security providers, we stand out. Our brand is built on the principle of delivering "Security at its Best", with a strong emphasis on exceptional customer service and industry-leading solutions. By blending technological advancements with a dedicated and skilled workforce, we offer security services that go beyond conventional standards.

Our well-trained and experienced team understands both the business requirements of our clients and the cultural landscape of the Middle East. Unlike generic security solutions, we tailor our services to align with business processes while respecting privacy and cultural values. With our proven success in Qatar, we aim to expand our footprint across the Middle East, bringing bespoke security solutions, state-of-the-art facilities, and top-tier services at competitive prices.

At AL ZAEEM SECURITY SERVICES, we don't just provide security—we redefine it.

# OUR COMMITMENTS

ZSS is committed in providing support on the following aspects:

# OUR SERVICES

Al Zaeem Security is Qatar's first choice for a formidable manned Security services. With experience and knowledge of securing a variety of industrial, hospitality, retail and residential locations our operatives are professional, expertly trained, and service-oriented. From roving patrolling to entry control our operators are committed to providing customized private security services to ensure the safest and most secure environment possible.

Monitoring is an excellent crime deterrent and extremely effective for areas that require surveillance over a large area, such as a large community, construction site, parking garage, or manufacturing facility. Al Zaeem Security's expert mobile patrol service provides fast response to alarms and calls; thus increasing neighbourhood safety; reducing liability risk; and increasing surveillance capabilities – making it a highly cost-effective security investment.

# CCTV REMOTE MONITORING

At Al Zaeem Security Services we believe that CCTV remote surveillance should be at the heart of an effective and cost efficient security system.

It is our duty to provide businesses with the benefits of an on-site guarding presence, without the limitations and at a fraction of the cost. We are able to achieve this through our use of the latest CCTV technology and a dedicated CCTV Remote Monitoring Centre which features:

- A 24 hours, 7 days a week, 365 days per year manned centre.
- Fully trained CCTV Operators.
- Digital video recorded at evidential quality for prosecution purposes.
- Systems integration enable remote management of wide ranging services.
- Voice annunciations delivered on-site.

# ALARM RESPONSE

Al Zaeem Security Services offer an alarm monitoring service through our dedicated 24 hour Control Centre. An alarm system that is monitored 24/7 provides a higher level of protection than an alarm bell only system. All of our control centre operatives are experts in monitoring all types of alarm systems. They quickly spot and react to alarm activations on our systems and can easily determine those that suggest there is a genuine threat, allowing them to respond in accordance to your requirements.
